What do we mean  
by motivation?

# What is motivation?

# Intrinsic motivations

Join in with my friends

Play my favourite tunes

Work music out for myself

Play to my family

Make up my own tunes

Make that lovely violin sound

Be like Nicky Benedetti

# Extrinsic benefits

Self-confidence

Creative thinking

Problem solving

Team skills and  
collaboration

Sense of inner pulse

Awareness and empathy

Sharing and communicating

Fine motor control

Independent learning

Eye-hand coordination

Commitment and persistence

What do we mean  
by progression?

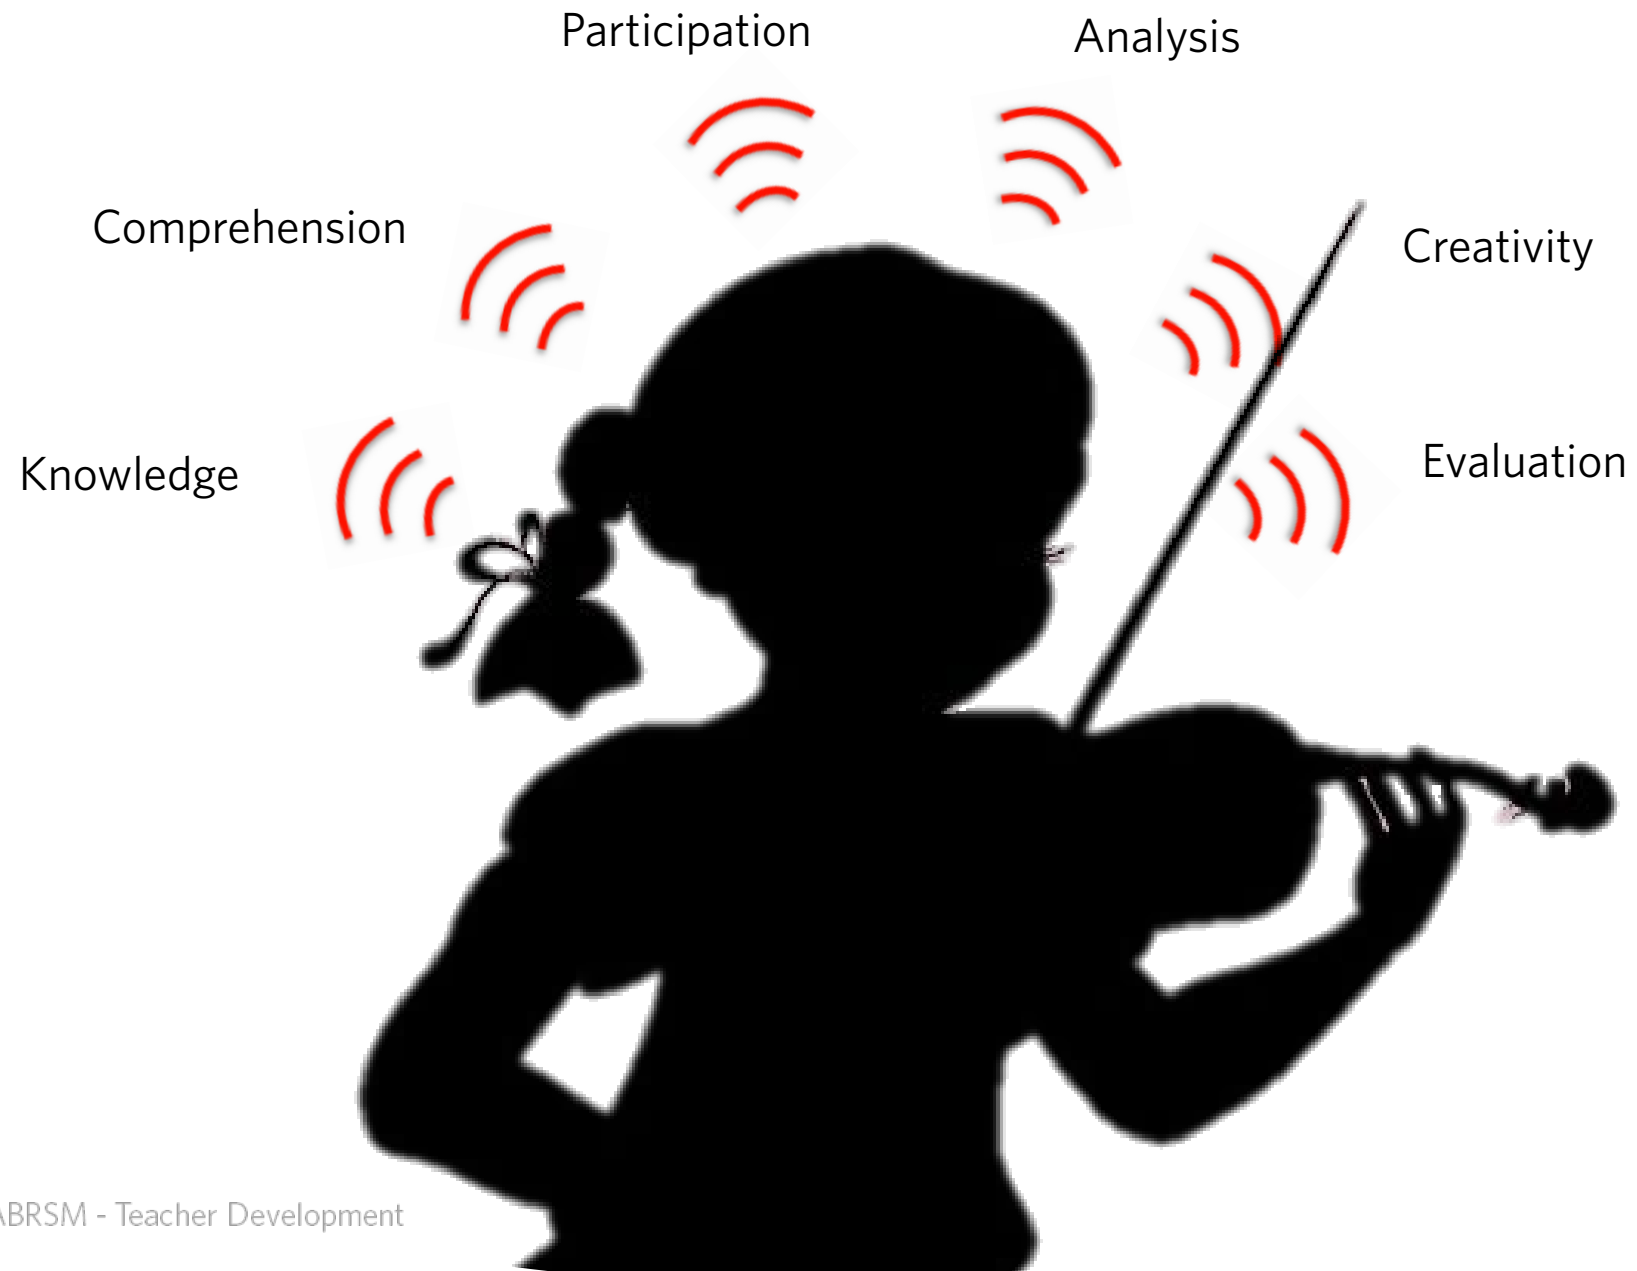

# What is progression?

Why do pupils lose motivation and stop making progress?

It's too difficult for me

I don't seem to be getting anywhere

It's not what I wanted

This no longer feels relevant to me

I think my teacher is disappointed in me

Everyone else is better than me

Anxious

Confused

Inadequate

Bored

Overwhelmed

Disheartened

Unhappy

Demotivated

motivation

assessment

attainment

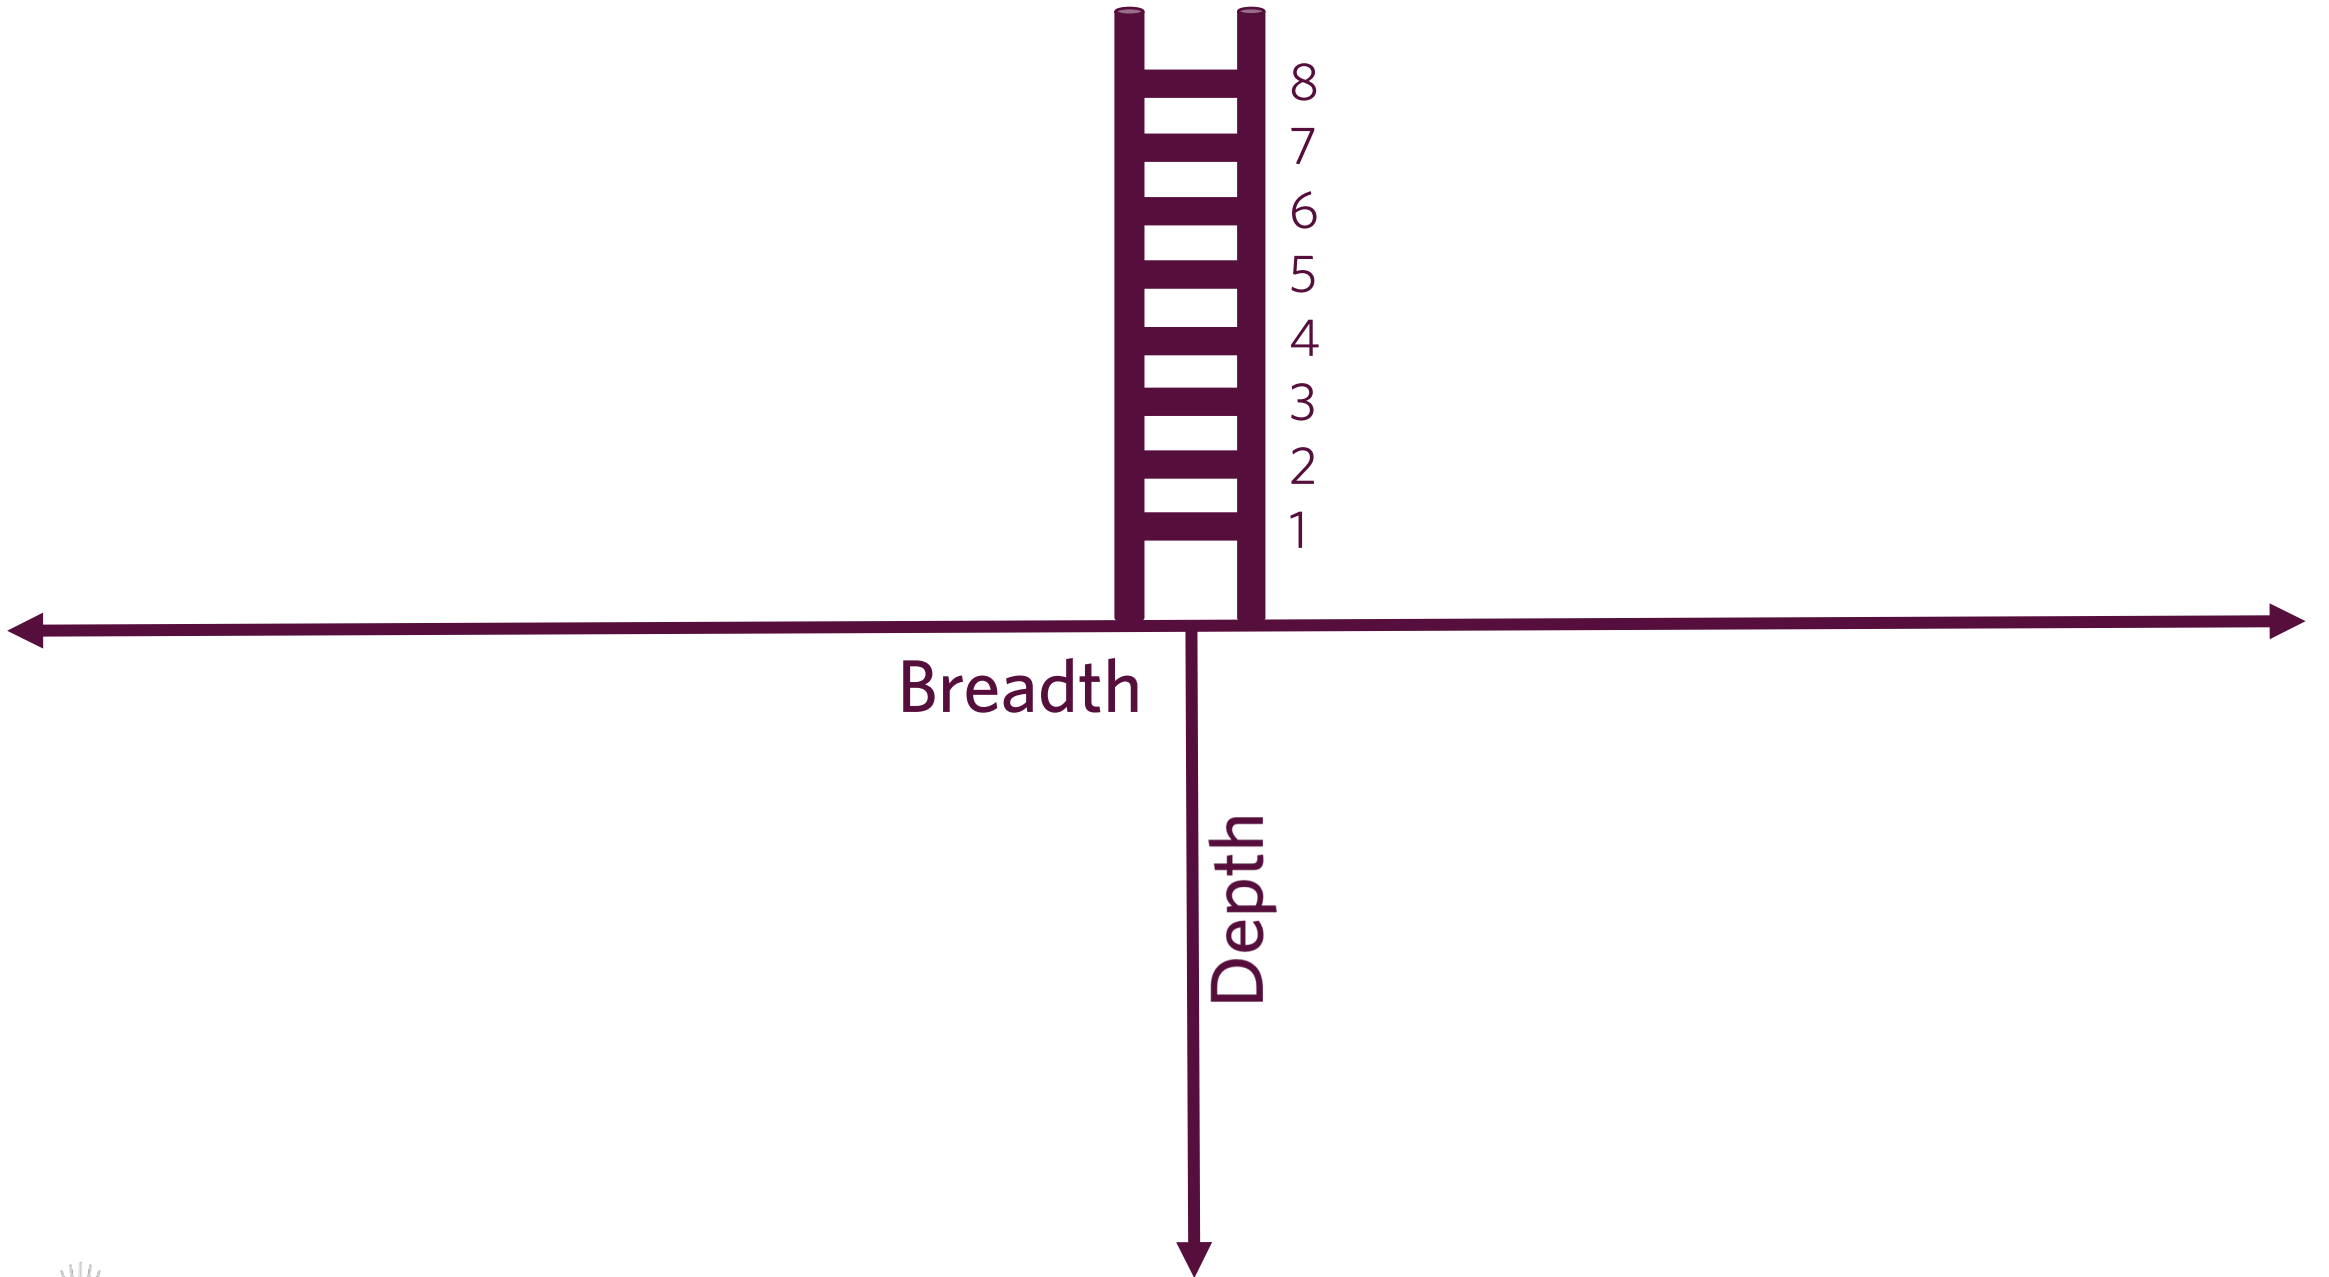

progression

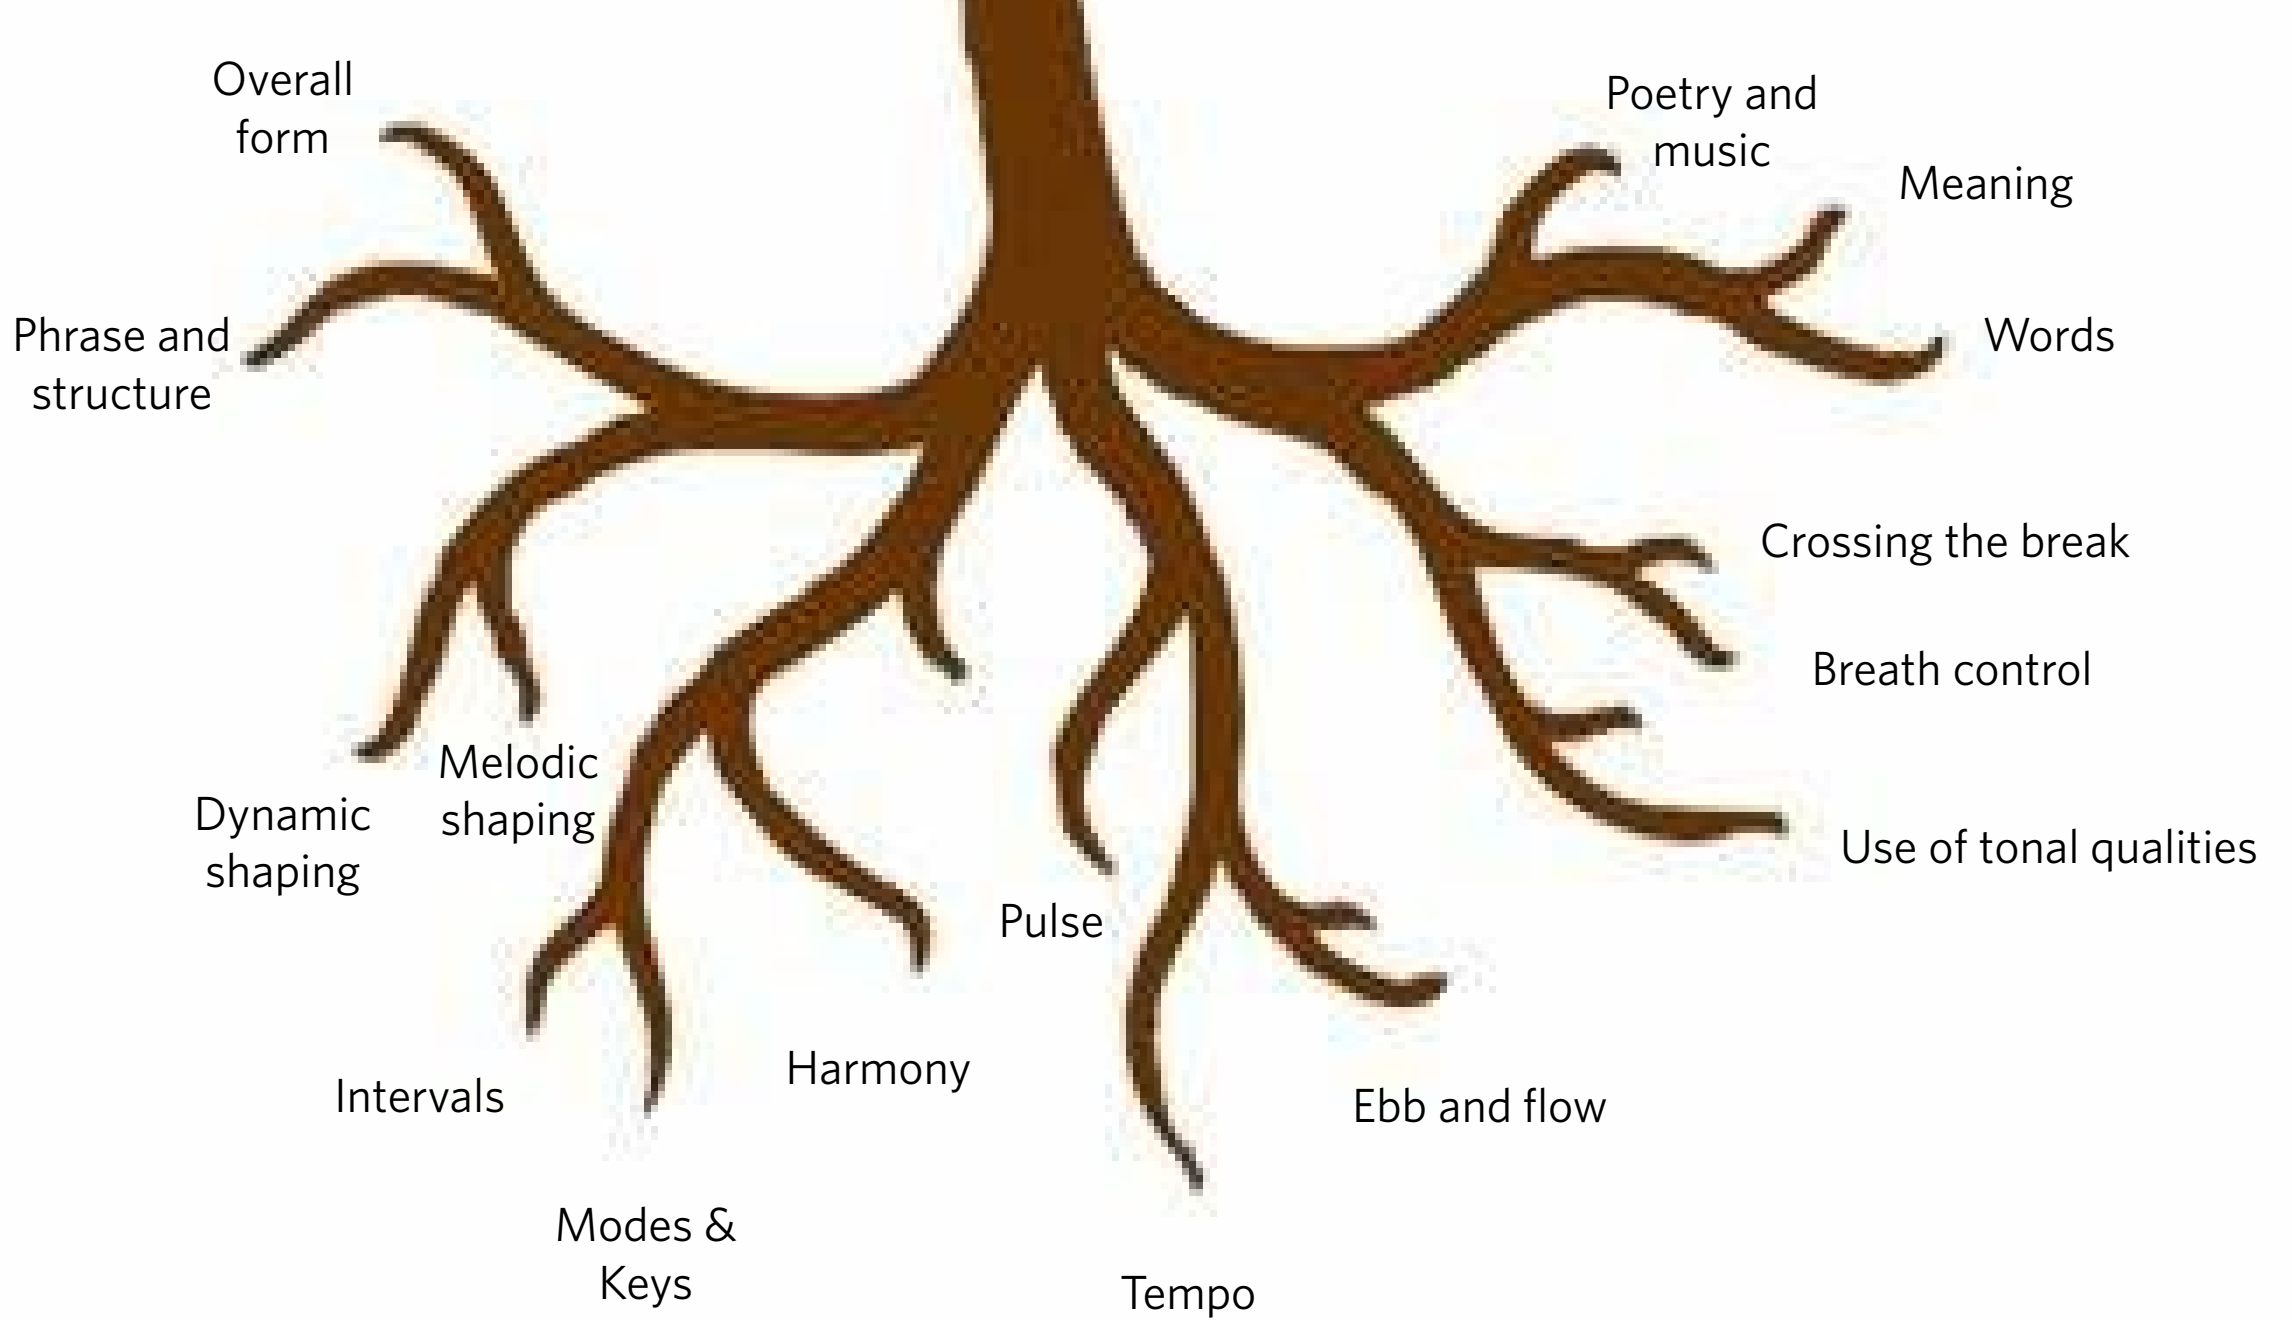

Technical demand

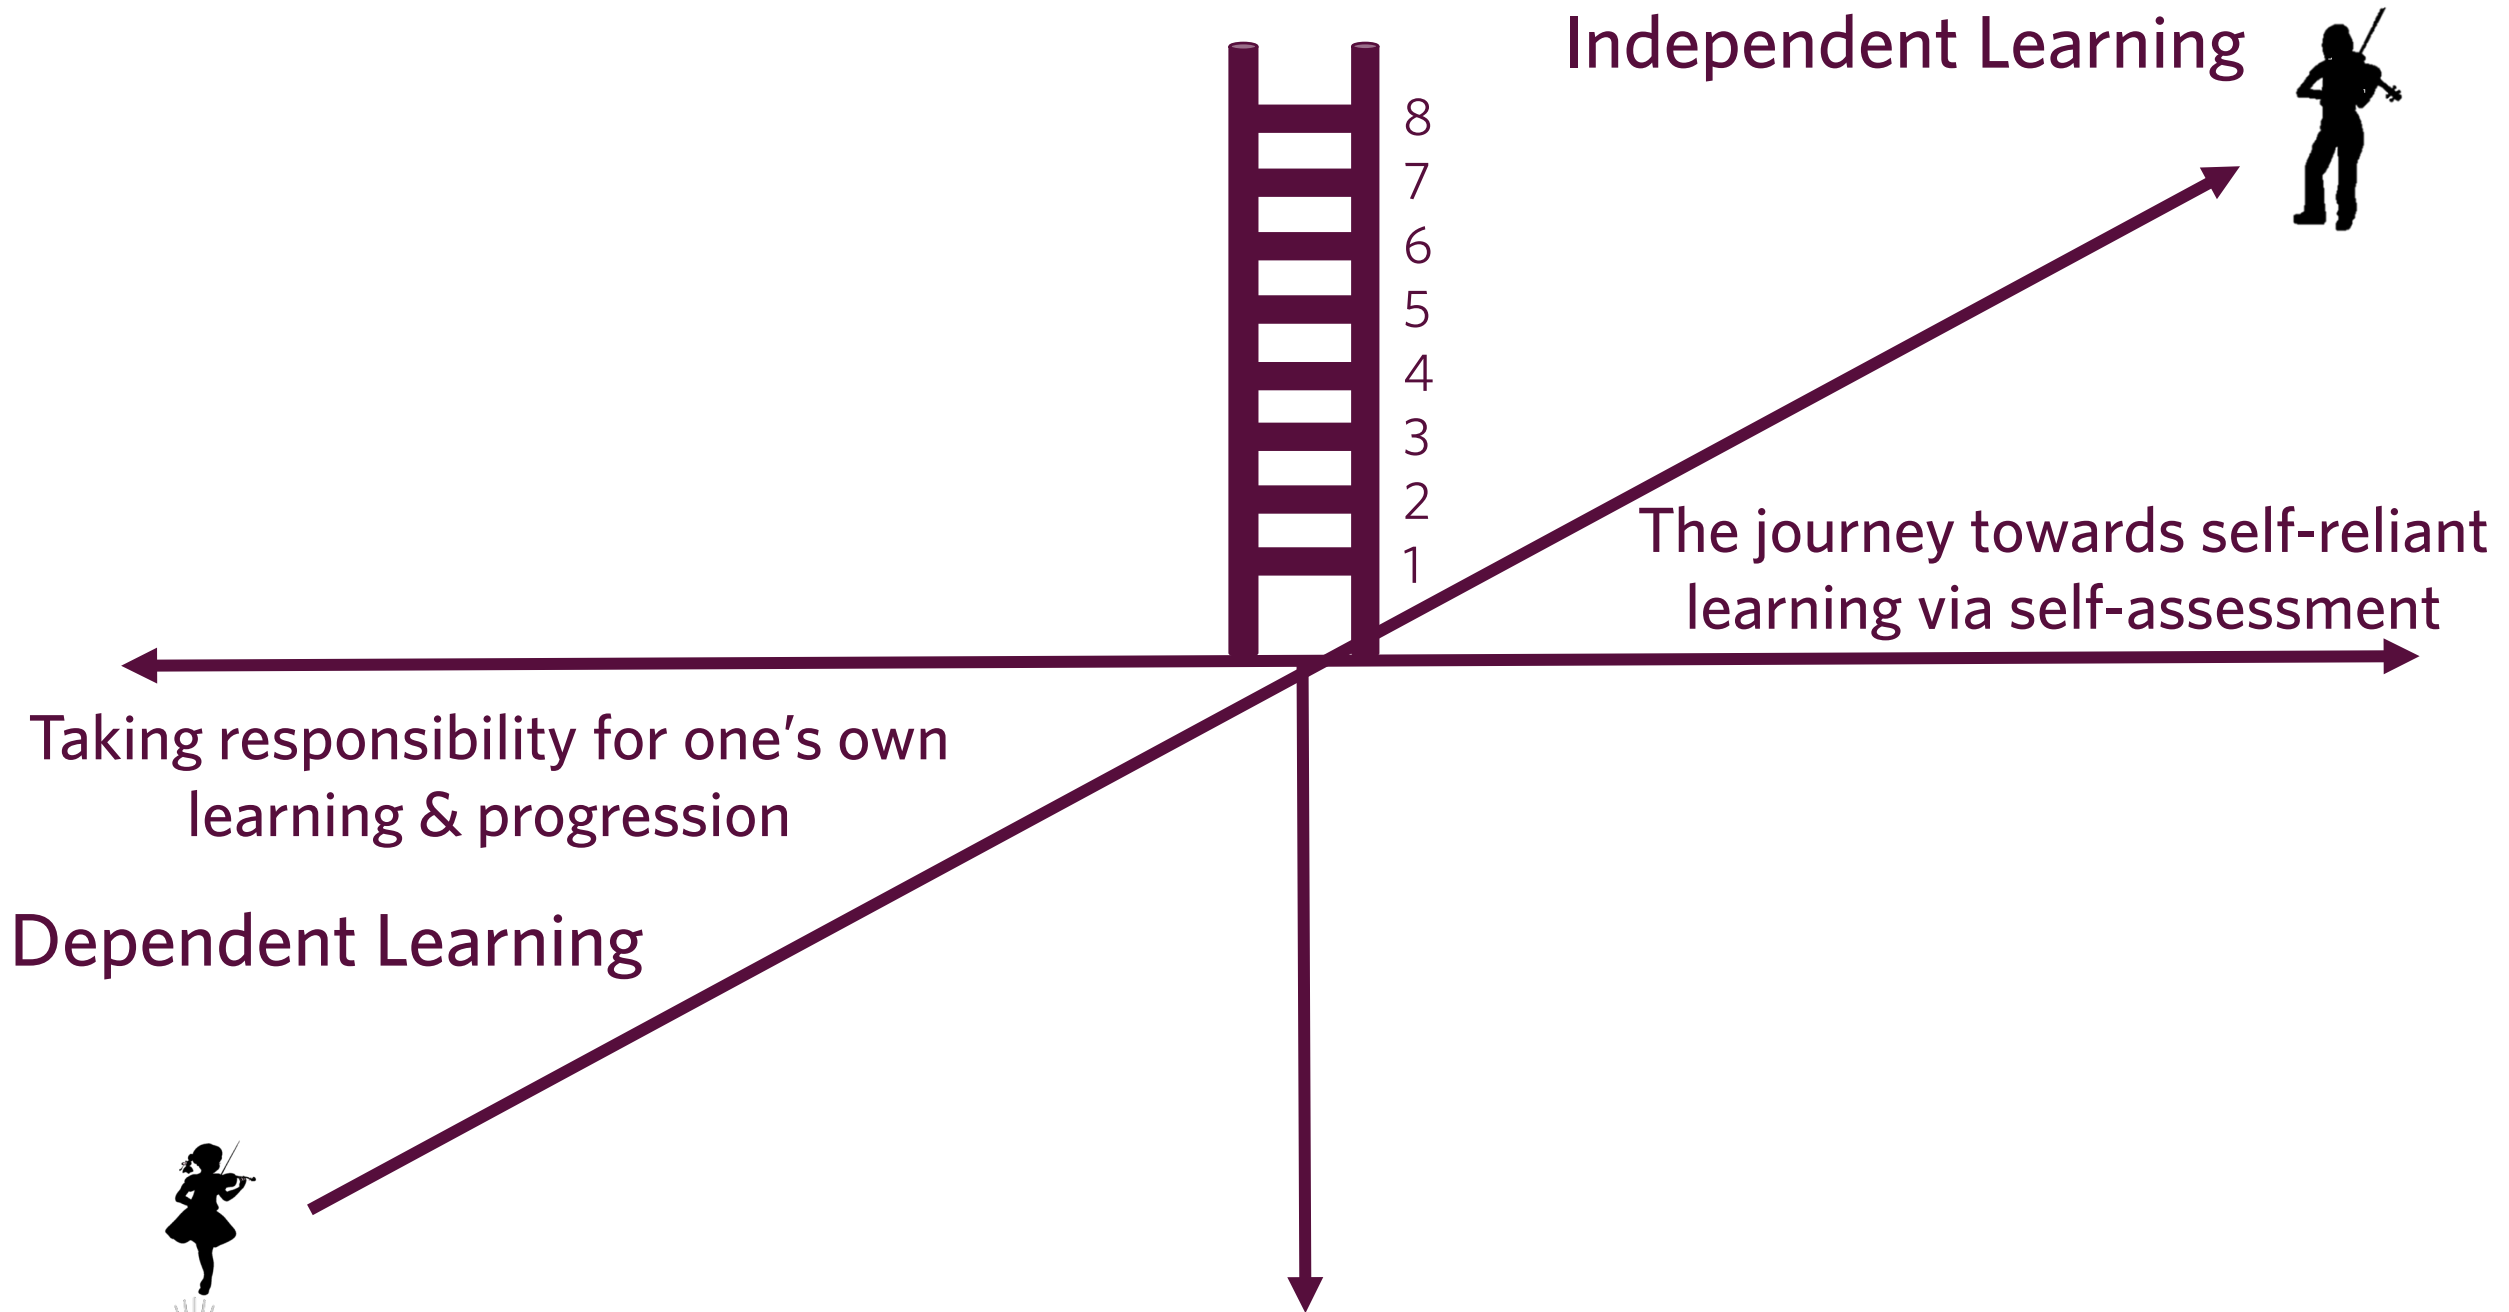

The level of challenge?

Pupil-led?

Teacher-led?

I like hearing my teacher play and sometimes we play duets

My teacher is interested in my motivations

I can tell I'm getting better

We both have a say in choosing what I play

I understand what I am meant to practise each week

I know my teacher cares about my progress

Confident

Proud

Secure

Creative

Excited

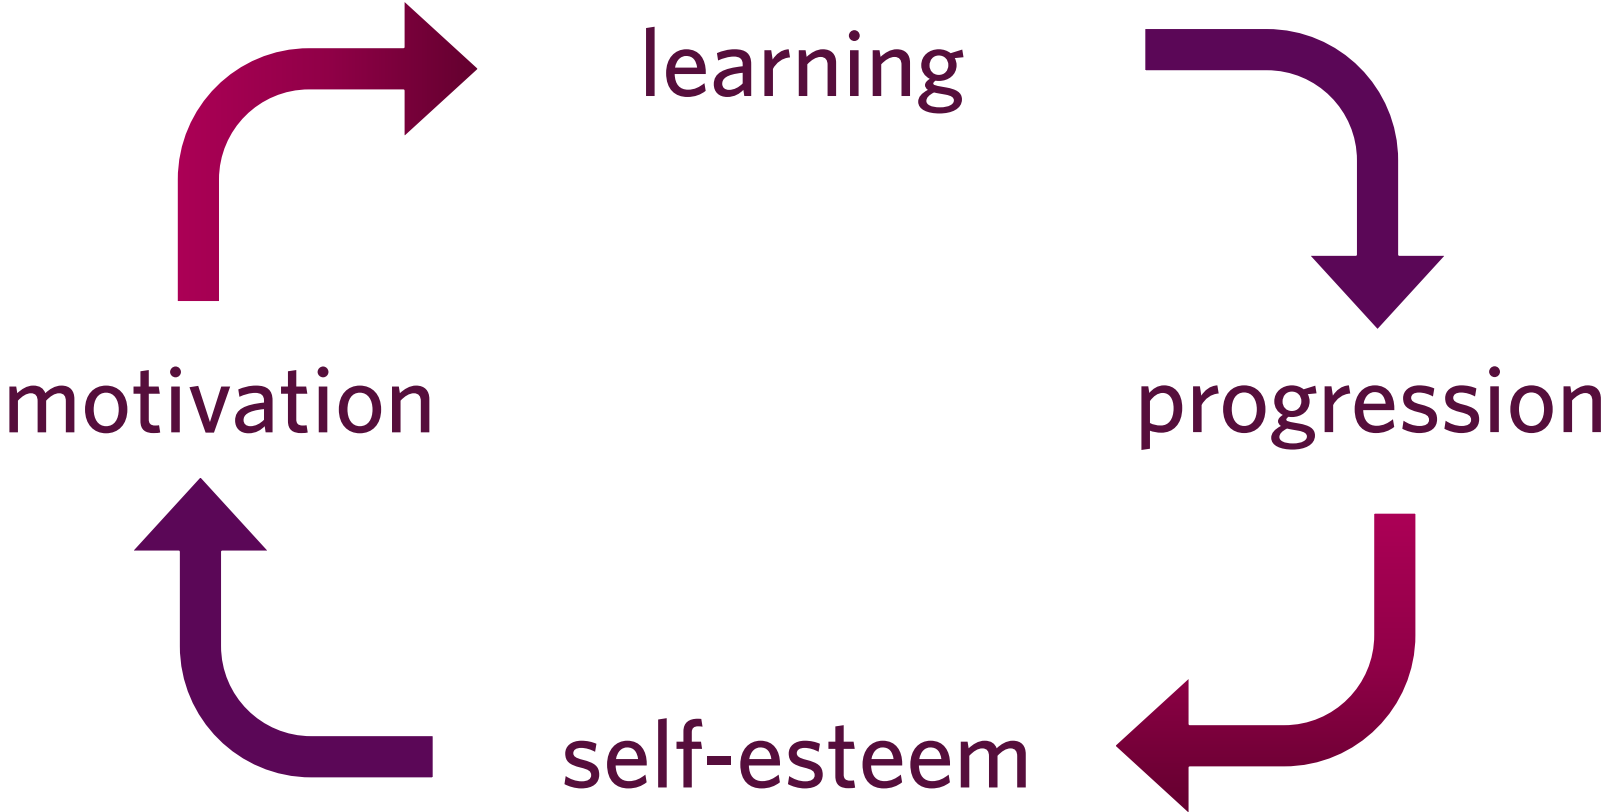

Trusting

Valued

Joyful

Motivated

# Virtuous Circle

Thank you
